## Weight Rating for Arsenal® Canvas Leather Bottom Buckets: Models 5730 and 5740

**A**rsenal® leather bottom canvas buckets, models 5730 and 5740, have undergone rigorous static load testing. These items have been third party tested and certified to have a maximum load capacity of 150 pounds\*(68 kilograms).

Have questions? Please contact [Justin Kostner](#) or your Ergodyne Customer Service Specialist.

### DISCLAIMER

Inspect before each use and **do not use** if there is any sign of wear or damage. Weight rating is valid under normal usage conditions. Product is weight rated for a static load. The rating is void if a free fall situation occurs, if the product has been altered or modified in anyway, or if the product has been used beyond its life.

\*150lb (68kg) weight rating with a safety factor of 4. Test results available upon request.
