

GFCI

5 - OUTLET ADAPTER

Tower's GFCI 5 - outlet adapter

30339015

Model 30339015 can be used to convert any standard indoor electrical outlet into a ground fault (GFCI) protected outlet.

This light weight, portable product can be used in the home, office, vacation cabin or workshop.

The bright “Red” light indicates when the power is “ON”. The TEST and RESET buttons allow for periodic testing.
