

SIZE UP THE SITUATION

Improperly sized apparel is a prime cause of heartache and sadness. Remember when you showed up at school wearing high water pants? Of course that's nothing compared to the crack-tacular combination of too-short shirt and too-loose pants. Don't let these calamities occur. Your gear will be more effective and comfortable if you choose appropriate sizes. For more detailed sizing information, and sizing for products not shown here, go to www.ergodyne.com.
